## ACCESSIBILITY PLAN

### Hinton St George C of E Primary School

1. This Accessibility Plan has been drawn up in consultation with staff and governors of the school.
2. We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.
3. The school plans, over time, will increase the accessibility of provision for all pupils, staff and visitors to the school. The Accessibility Plan will contain relevant actions related to:
  - Improving access to the **physical environment** of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
  - Increasing access to the **curriculum** for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of the Disability Discrimination Act). This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist **aids and equipment**, which may assist these pupils in accessing the curriculum.
  - Improving the delivery of **written information** to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.
5. Attached are Action Plans, relating to these key aspects of accessibility. These plans will be reviewed and adjusted on an annual basis. **New Plans will be drawn up every 3 years.**
6. We acknowledge that there is a need for ongoing awareness raising and training for staff and governors in the matter of disability discrimination and the need to inform attitudes on this matter.
7. The Accessibility Plan should be read in conjunction with the following policies, strategies and documents:
  - Curriculum
  - Equal Opportunities and Diversity
  - Staff Development
  - Health & Safety
  - Inclusion
  - Special Needs
  - Behaviour Management
  - School Improvement Plan
  - Asset Management Plan
  - School Prospectus
8. The School Prospectus will make reference to this Accessibility Plan.
9. Information about our Accessibility Plan will be available to Parents

10. The Plan will be monitored through the Curriculum and the Premises (health and safety link governor) agenda items at FGB meetings.
11. The school will work in partnership with the local education authority (and Diocesan Authority, where appropriate) in developing and implementing this plan and will adopt in principle the Somerset Accessibility Strategy, Access to Learning.
12. The Plan will be monitored by Ofsted as part of their inspection cycle.
