'Let Your Light Shine' (Matthew 5:16)

Dear Parents,

We have had a great start to our summer term, with the children all working really hard in their learning. A special mention needs to go out to our year 6 children who have been sitting their SATS this week. I have had the privilege of being with Mr Cashmore to support them and we are both very proud of how they have approached this very challenging week. They have showed great maturity and an amazing attitude to their learning. Well done year 6!

The next two weeks are going to be busy, with lots of assessments and interviews happening in the school. We are looking forward to celebrating the Queen's Jubilee on the last day of term. I'm sure this will be a great day and we will have lots of photographs to share with you in our next newsletter.

Many thanks for your continued support.

Warm wishes,

Mrs Charlotte Hall

(Headteacher)

Headteacher's Awards

I have been delighted to give Headteacher's awards to Riley (reception) for his great handwriting, Claudia (year 1) for her brilliant reading, and Destiny (reception) for her fantastic phonics!

Christian Value

Our Christian Value this half term is Friendship.

The children are exploring this value in class and through worship.

Attendance

Our attendance is continuing to slowly rise.

Please can everyone try to ensure that their children attend school and holidays are not booked during term time. Unless there are exceptional circumstances, holidays will not be authorised during term time.

Sapling Class Art Work

In Sapling Class, we have started learning about botanical art. We began the project by finding out what a botanical artist is. We then studied leaves and flowers closely and sketched them, adding annotations and swatches of the colours.

St George's Pre-School

This week, the children have been doing lots of fun maths activities and learning about 'People who help us'.

Safeguarding

If you are worried about the safety of any child, then please speak to one of the following members of staff:

Mrs Charlotte Hall, Designated Safeguarding Lead, **Mr James Batchelor**, Deputy Safeguarding Lead, **Mr Adam Cashmore**, Deputy Safeguarding Lead or **Mrs Sarah McEvansoneya**, Governor responsible for Safeguarding.

Hinton St George Church of England Primary School

Governors

Following on from our parent survey in the spring term, it was highlighted that many parents are unsure of who our governors are. There is lots of information on our website regarding the governors, who they are and their roles on the governing body. As parents, you have two representatives on the board, Mrs Jenny Pithers and Mrs Sarah Malik. If you have anything you would like to raise with the governors, these two parents would be a convenient point of contact. However, of course you can contact any of the governors if you wish.

Now restrictions have been relaxed, we would like to look at potentially organising a 'drop-in' session for anyone who would like to get to know the governors a little more. Please let Mrs Hall know if this is something you would be interested in attending. Many thanks.

Polite Notice

Please can everyone driving in and around the village, please be respectful of the resident's safety and property. We have had several of our neighbours raise concerns over the speed of some cars and where people are parking.

Many thanks for your cooperation.
