

Good afternoon,

Following on from Mrs Hall's email here are the log-in details to access remote learning.

To access remote learning, for the period that the school is closed, you will need to log-on to Google Classroom ([www.classroom.google.com](http://www.classroom.google.com)) and sign in with your child's email address and password.

All of the children's email addresses are in the following format:

**Children's usernames are [firstname.lastname@9333064.co.uk](mailto:firstname.lastname@9333064.co.uk)**

If your child has a name with a hyphen, only the first part of the name will be necessary (for example, instead of Lily-Mae, it would just be Lily)

**Your child's password will be: Book1234!**

You can change your child's password if you want but please be aware that they use the log-in at school so it needs to be something that they can remember.

**You will need to enter a class code to join the relevant Google Classroom.**

**Sprout Class (Reception, Year 1 and 2): nbd7mn4**

**Sapling Class (Year 3 and 4): 6mcew64**

**Oak Class (Year 5 and 6): pnajsls**

Videos or instructions for tasks to be completed each day at 8:00am. What each class receives will differ. Sprout Class will be given at least a Phonics, English and Maths task. Sapling and Oak Class will have at least an Early Bird task, English and Maths.

We require all work to be submitted to your child's teacher. A photo of the work done is a great way of doing this.

Please submit the work in the following ways:

Sprout and Sapling Class: via an email to the class teacher.

Oak Class: via Google Classroom.

We will meet on Google Classroom every day for a short catch-up and for the teacher to explain the work or answer any questions about the work. This will be through Google Meet, if you are using a mobile device it is best to download the Google Meet app. (You can find this on the top right of the Google Classroom page, where the nine dots are). Please note that we have found that this works better if you are using your child's log in and not your own).

The meeting details will be posted on Google Classroom each morning so you can join through there.

**The timings for this will be:**

Reception children: 8:30 – 8:35

Year 1 children: 8:35-8:40

Year 2 children 8:40-8:45

Year 3 and 4: 8:45-9:00

Year 5 and 6: 9:00

Teaching staff will be contactable through their temporary email addresses that they will only be checking during periods of school closure (between 8:30am and 3:15pm). These emails are:

[james.batchelor@9333064.co.uk](mailto:james.batchelor@9333064.co.uk)

[chloe.mccubbin@9333064.co.uk](mailto:chloe.mccubbin@9333064.co.uk)

[adam.cashmore@9333064.co.uk](mailto:adam.cashmore@9333064.co.uk)

We hope this information is enough to make the period of closure as straight-forward as possible. If you have any questions before Monday, the teaching staff will spend some time monitoring emails over the weekend so hopefully you will all be able to log-in ready for starting work on Monday.

Please be aware that we are not expecting your child to complete work if they are ill/have symptoms.

Many Thanks,

Mr Batchelor, Miss McCubbin and Mr Cashmore.
