

Ground Breaking Greeks

Homework Menu

Please select **AT LEAST 1** activity from the following activities to do as your home learning this half term. They will link in to our learning at school.

- Investigate one of the famous Ancient Greek Mathematicians and create a personal profile about them, their discoveries and how have they impacted the modern world?
- Create a model of the Parthenon in Athens—Be imaginative on what you might make it out of.
- Create a Family Tree for the Greek Gods—Try to include as much information as you can on each.
- Find out more about the origins of the Olympic Games and create a presentation on the history of the games and the original events they would have competed in.
- Paint, draw, or collage a map of Ancient Greece—Can you include the different cities and regions of the time?
- Create a quiz on 2Quiz—www.purplemash.com on the Groundbreaking Greeks. Try to include questions from a variety of topics.

Note to support:

This is intended to be a fun project to do at home. Please pick at least one activity to do but feel free to do as many as you like.

Homework to be handed in on **6th July 2022!**
